Cruise Lines International Association, Inc. (CLIA), owner and organizer of Cruise360, requires all exhibitors and booth staff to adhere to the highest level of professional conduct during trade show hours. Specifically, solicitation of travel advisors for prospective affiliation should be done only in a manner focusing on the merits of the exhibitor's value proposition and not through disparagement of an advisor's existing affiliation. CLIA strongly recommends exhibitors engage only with advisors who approach them and not by asking advisors walking the trade show aisles about their existing affiliation.

Sound (music or any audible noise) from any booth may not exceed 80 decibels as determined by CLIA. An exhibitor in violation of this policy will receive a verbal warning from CLIA. If the exhibitor continues to violate this policy, sound equipment will be disconnected, turned off or removed for the remainder of the day. Electrical power will be removed if applicable.

Fire Department Regulations

Dear Exhibitor:

We are pleased that you will be having your exhibit in our city, and we want to help you make it both safe and successful. Special attention must be given to many details, so we hope you will call the Fire Prevention Division for consultation.

To help you in planning your event, we offer some key information. Attention to these requirements will prevent problems. They apply to all public assemblies & exhibitions.

Listed below are additional requirements to follow for safety:

- Install display or exhibit so as not to interfere with access to exits or visibility of exits, or of exit signs. Also, it is important not to block access to fire fighting equipment and/or emergency equipment.
- Use flame retardant materials for all displays, table covers, tablecloths, streamers, booths and decorations.
- Prior approval should be obtained before using an open flame lighting device.
- The required way to display vehicles inside a building is to disconnect the positive lead of the battery, drain the fuel tank to **one-quarter tank or less**, and tape or lock fuel caps; LP tanks should be removed from all vehicles. WRITTEN NOTIFICATION OF PLANS TO BRING A VEHICLE ONTO THE SHOW FLOOR MUST BE MADE TO THE SHOW CONTRACTOR AT LEAST FOUR WEEKS PRIOR TO SHOW SET-UP SO THAT THE PROPER PERMITS CAN BE OBTAINED.
- When LP gas is used, five pound non-refillable containers are permitted temporarily inside buildings for demonstration purposes, if spaced not closer than 20 feet from each other, but no spare tank storage is allowed inside. All LP tanks must be removed from the exhibit floor each night.

JURISDICTIONS FOR FLORIDA

To assist you in planning for your participation in the forthcoming event, we are certain you will appreciate knowing in advance that labor will be required for certain aspects of your exhibit handling. To help you understand the jurisdiction the various unions have, we ask that you read the following:

EXHIBIT INSTALLATION/DISMANTLING

Labor can be ordered in advance by emailing (exhibitorservices@extremefamilyexpo.com) or mailing (9420 American Eagle Way, Suite 200, Orlando, FL 32837) the labor form, or at show site, at the service desk. If full time company personnel are utilized to set an exhibit, they must carry company identification such as a medical identification card or a payroll stub.

MATERIAL HANDLING

Extreme Family Expo & Events, LLC has the responsibility to manage docks and schedule vehicles for the smooth and efficient move-in/move-out of the trade show. Extreme Family Expo & Events, LLC will not be responsible for any material it does not handle.

Exhibitors may “hand carry” material provided they do not use material handling equipment to assist them, and access to the loading dock/freight areas may be restricted.

GRATUITIES

Extreme Family Expo & Events, LLC requests that exhibitors do not tip its employees by giving money, merchandise, or other special consideration for services rendered. They are paid an excellent wage scale denoting a professional status, and we feel that tipping is not necessary. This applies to Extreme Family Expo & Events, LLC employees. Any attempts to solicit a gratuity for any service should be reported to a Extreme Family Expo representative at the service desk or correspondence may be directed to the attention of the General Manager.

ALL SHIPMENTS MUST ARRIVE PREPAID

- Shipments must be consigned to Extreme Family Expo & Events, LLC, as hotel and convention sites do not have the facilities to receive such shipments and may refuse them.
- Extreme Family Expo & Events, LLC will not be responsible for piece count or condition of shipments that are delivered without supporting bill of lading or delivery slip (i.e. FedEx, UPS).
- It is understood that Extreme Family Expo & Events, LLC and its subcontractors do not automatically insure materials, that insurance, if any, shall be arranged by the Exhibitor and the amounts payable to Extreme Family Expo for material handling services are based on the value of the material handling services and the scope of Extreme Family Expo's liability as herein set forth. The amounts payable to Extreme Family Expo are unrelated to the value of the Exhibitor's property being handled by Extreme Family Expo or its subcontractor. It is impractical and extremely difficult to fix the value of each shipment handled by Extreme Family Expo or its subcontractors. It is agreed therefore that if Extreme Family Expo or its subcontractors should be found liable for loss or damage to Exhibitor's materials, the liability shall be limited to the specific article that was physically lost or damaged. Such liability shall be limited to a sum equal to 30 cents per pound per article, with a maximum liability of \$500 per item, or \$1,000 per shipment, whichever amount shall be less, as agreed upon damages and not as a penalty, and such agreed upon damages shall be the Exhibitor's exclusive remedy.
- Exhibits left on exhibit floor without return instructions will be returned to our warehouse and held for disposition at an additional charge. Extreme Family Expo & Events, LLC will not be responsible for condition, count or content until such time as exhibits or materials are picked up for removal after the close of the exhibition.
- Make certain all your material is properly insured against fire, theft and all hazards while in transit to and from your booth.
- Exhibitor routings on outbound shipments will be honored when possible. However, we reserve the right to reroute as necessary. All outbound shipments must be tendered with a bill of lading. In the event the designated carrier fails to pick up by the specified time, such shipments will be rerouted by Extreme Family Expo & Events, LLC **Specified (freight force) time can be obtained at the Extreme Family Expo Service Desk or by calling customer service.**
- All shipments requiring special handling for any reason, or due to length, width or height, will be handled on a time and material basis.
- Extreme Family Expo & Events, LLC, as the Official Service Contractor, shall have control over all freight docks, doors, elevators and crate storage areas. Any shipment not handled by Extreme Family Expo & Events, LLC, but for which Extreme Family Expo & Events, LLC is required to handle the storage of the empty shipping containers, a charge will be assessed.
- To avoid confusion, remove all expired shipping labels before shipment.
- Collect shipments will not be accepted unless written authorization is furnished by the shipper to accept the shipment. There will be a 25% surcharge (\$15.00 minimum) based on the amount advanced by Extreme Family Expo & Events, LLC
- In the event freight is left on the show floor without a bill of lading on file with Extreme Family Expo, it will be shipped via ArcBest/ABF Freight collect, and will be charged a \$50.00 administrative fee by Extreme Family Expo.

EXTREME FAMILY EXPO & EVENTS, LLC WILL ROUTE ALL SHIPMENTS UNLESS SPECIAL ADVANCE ARRANGEMENTS ARE MADE . . .

INSURANCE

Extreme Family Expo & Events, LLC will not be responsible for the count or content of material after it has been placed in the exhibit area, before or during installation time, at the conclusion of the event, or prior to taking physical count and possession in preparation to moving such materials.

You agree to hold harmless Extreme Family Expo & Events, LLC, for responsibility for concealed and/or apparent damage to uncrated and/or unskidded exhibit material.

Terms & Conditions

TERMS AND CONDITIONS OF RENTAL

The RENTER (client) agrees that all electronic equipment can fail without notice due to wear and tear, movement during installation, or due to inconsistent power provided by venue, and agrees to hold Show Gear Productions Harmless for any costs or loss of exhibit time due to equipment failure before or during the client's presentation. The only compensation Show Gear Productions will offer is a pro-rated rental cost reduction based upon the duration of the equipment failure beyond a (2) two-hour period. If the equipment is mounted in such a way by the RENTER, or by Show Gear Productions as directed by the RENTER as to limit or delay our ability to replace the item at the time of failure then the item will be replaced at the next available moment and no pro-rate discount can be offered unless no replacement is made available. The RENTER is responsible for any rigging costs incurred to swap out equipment if rigged. The RENTER is responsible for the security and wellbeing of all equipment from the moment delivered (including during drayage/handling by decorators or other 3rd parties assigned by RENTER to handle their booth elements) until picked up by Show Gear Productions. This includes scratches to monitor screens and bezels, missing remotes or mounting hardware or any other loss or damage regardless of cause. Damages will be charged to the credit card on file. By executing this rental agreement, you agree to all terms and conditions on this form.

CANCELLATION POLICY

Availability is NOT guaranteed until order is paid and confirmed. Orders cancelled less than 14 days prior to delivery are subject to a 25% restocking fee. Orders cancelled less than 8 days prior to delivery are subject to a 50% restocking fee. Orders cannot be cancelled less than 5 calendar days before the delivery date unless both parties agree. The "Delivery" Date for all booth orders is considered the first setup date that the exhibitor is allowed to setup, or the delivery date requested on this order form. RENTER must be in the booth and sign for delivery unless you authorize us to leave the equipment in the booth unsecured. Re-delivery may add costs to the RENTERS order. If the RENTER requests Show Gear Productions to leave the equipment in the booth unattended because they cannot be in the booth to sign for the gear at the scheduled delivery time, the RENTER agrees to stipulate the condition of the equipment was good at the time of the delivery, and any damage to the equipment as noted at the time of pickup will be charged to the RENTER.

Terms & Conditions

LABOR POLICY

Show Gear Productions will perform all work that we are ABLE to perform without violation of any union rules or restrictions and deliver the equipment to your booth. The basic delivery charge includes our techs setting up the monitors on their tabletop stands and placing them on a RENTER provided surface or mounting the monitors to a floor stand that WE provide. We will connect the monitor to a local source and remove the empty cases. All other types of installation (mounting monitors on walls, truss, or any other method) is considered advanced installation and must be discussed in advance. If a dedicated tech or technicians are required for this installation, then additional charges may apply. Advanced installation is \$70/per hour, per technician, in most cases and some minimums may apply. Please call us at 949-600-8235 to discuss your booth. We will work with you to minimize costs but please understand if our techs are going to spend several hours or days assembling the AV in your booth, we must be compensated for this work. We can also help you plan all technical considerations such as splitting signals to multiple monitors, HDCP Compliance, signal loss over distance, etc. There is no cost for pre-production services with your order.

DELIVERY / PICKUP POLICY

Delivery and pickup time under the Delivery Section is not guaranteed. This is the target time and date that we aim for, and in almost all cases its not an issue. However, Show Gear Productions does not control the dock. We can only estimate when the equipment will be loaded into the facility and delivered to your booth. Please do not schedule riggers or install crew for audio visual without consulting with Show Gear Productions first. Show Gear Productions cannot be held responsible for labor costs (or any other costs) for wait/stand-by time if the AV is not delivered to the booth at the exact time requested. We recommend a time buffer between the requested delivery time and the scheduling of any install and dismantle labor (including labor booked through Show Gear Productions) to ensure the equipment is in the booth before labor arrives.

TV STAND POLICY

We often get questions as to why we charge what we charge for a TV stand, and then a separate cost for a mount. There are several factors involved, and we have experimented with various price structures in the past and have determined that the best method for all parties is to charge the same rental cost for a stand, regardless of if the monitor is also rented from Show Gear Productions, or if you provide one yourself. However, the commercial (industry standard) Dual Pole 7' Tall Plasma/LCD Stand that we carry does not mount directly to the monitor. The monitor must have a compatible bracket, manufactured by Premier Mounts and it must mount to the PSD Dual Pole Stand. Consumer wall mounts found at box stores such as Best Buy will not mount to the stand. If the client owns the proper mount for their monitor- its no problem. However, if the client brings his/ her own monitor and does not own the compatible mount, then Show Gear Productions can rent the mount. It would be impossible for us to list the cost of these mounts on the order form as there are literally hundreds of models that fit every brand/- make/model of monitor on the market. We will gladly provide a quote for these mounts upon request. We usually rent these mounts to our clients for \$75, but this is not guaranteed. Just email or call us with the exact make/- model of monitor you are bringing. Please understand that if you bring your own monitor you will need to order labor from us if you want us to attach it to the stand. We will do our absolute best to serve you, but AV labor is expensive for us to provide, and hanging client monitors on stands is always a time-consuming endeavor. Show Gear Productions will not be held liable for ANY damage to a client monitor for any reason whatsoever, if you request that Show Gear Productions hang your monitor. There is simply no way for us to verify if any damage to the monitor already existed or was caused by a third party. Internal damage cannot be seen by visual inspection. By ordering labor to handle any of your equipment you agree to hold Show Gear Productions AV and its vendors harmless for any loss or damages of any kind.
